

EVANGELISM GROWTH PATH

some sow, some water but God gives the increase 1 Cor 3:5-9

The GoEurope2040 Evangelism Growth Path is how we aim to expand evangelism fruitfulness and effectiveness across Europe. This is how we serve churches and campus ministries & help start new churches and campus ministries.

Learning from best practices we see every believer equipped and empowered as disciples to effectively engage the lost.

Some will be called to commit to evangelism as a ministry, others to lead evangelism in their context and then finally there will be a few called to serve other churches and campuses beyond their own context.
